

WELCOME HOUSE OF SOUTH COUNTY

Providing emergency shelter and housing opportunities to South County's homeless since 1989

Dear Ms. Ancheta:

On behalf of everyone at Welcome House, I want to thank you for your continued support of our efforts to ameliorate homelessness in South County. Most recently, your generous grant of \$2,768 to purchase commercial washer and dryer appliances, means so much to us--more importantly, our guests.

Clean clothes should be a given but in most homeless situations are a rarity. A fresh start begins with a shower, clean clothes, a wholesome meal, a good night sleep, which supports a brighter outlook and the development of a solid plan. Your donation provides our guests with the fresh start to their future success.

Together, we are helping our struggling neighbors gain long term stability by providing services with dignity while addressing current issues that lead to their homelessness.

With sincere gratitude,

Joseph Dziobek
Executive Director

On behalf of everyone at the Welcome House of South County, I want to thank you for your recent donation of \$300.00 on . We are so fortunate to have such generous and caring people in our community. Your support means so much to us and the many struggling neighbors we help every day.

Because of you, the Welcome House of South County is able to provide emergency shelter, transitional and affordable permanent housing and support services to homeless adults, families and children. Approximately 65-70 individuals are supported daily through our vital programs.

Again, we are so appreciative of your support. Together we are strengthening our community by helping our vulnerable neighbors meet their basic needs for food, shelter and financial security.
