Thank you for including Prout!

**“Bella” is an incredibly altruistic, kind, smart, talented young woman. President of the school’s Kindness Club, Bella not only spreads school wide awareness of the importance of being positive and compassionate towards others, she also tries to live it every day. During mid-semester exams, for example, the Kindness Club – under her direction – had pens and pencils made that had “Kindness Matters” on them. She went to the two cafeterias giving them out to stressed out students and by doing so, calmed students down before their exams !**

**A faith-based individual, Bella is very involved in her church as an altar server, and a CCD teacher with young children. Her heartfelt, steadfast commitment to serving others is an inspiration to all of us at Prout!**

**In my opinion, Bella is the type of person who always tries to live the Rotary motto of “ Others above Self”.**
